The determination of residency classification for tuition purposes is governed by statutes enacted by the Texas Legislature and rules and regulations promulgated by the Coordinating Board, Texas College and University System. These rules and regulations are located on the web <http://www.uh.edu/enroll/admis/ResidencyRequirements.htm>

After you read this questionnaire and determine the circumstances you believe fulfill the requirements for residency for tuition purposes, complete the questionnaire and submit it and all supporting documents no later than the official reporting date for which you are requesting reclassification (12th class date for a fall or spring semester or the 4th class day for a summer session). Note: In order for residency determination to be made prior to payment of tuition, submission must be at least three weeks prior to registration. Your decision will be made within 7-10 working days after your request is received in the appropriate office for review.
