

CONSUMER LAW CLINIC

Fall 2020

Professor Ryan Marquez

rmmarqu2@central.uh.edu

Class TBD

COURSE DESCRIPTION:

This course is a practical course involving representing actual clients with their legal issues. You will be working on cases filed in Justice, County, and District courts. Most of your cases will relate directly to consumer law, including landlord and tenant law, real estate issues, deceptive trade practices, debt collection, bankruptcy, negotiation strategies, and lease drafting. After completing this course, students will have the necessary legal and practical knowledge to represent consumers effectively upon starting to practice law.

Regular participation in the clinic is required. You must work 50 hours per course credit hour. There is a weekly staff meeting class that last approximately 1 ½ hours. The time of the class will be determined after I receive all of the clinic students' schedules. In the event that our class needs to be rescheduled, I will give you advance warning by email. This will not happen often, but may happen from time to time. All postponed/cancelled classes will be rescheduled.

This is a clinical University of Houston Law Center course. Accordingly, Law Center policy requires the applicable curved scale. Work performance, attendance, and participation, including turning in all assignments, will count toward your final grade.

I am available to discuss your cases any time I am here at UHLC. My office is in KH – 213 and my phone number is (713) 743 -2169 (UHLC). If you do not find me in my office, you should feel free to call me at any time or email me regarding questions. My cell phone will be available for you to contact me at any time as well. You may call me at any time if you have a problem that cannot wait until regular school hours.

COUNSELING SERVICES AVAILABLE TO STUDENTS
