What do I take?

When do I register?

Note: You must pay your tuition and fees by the payment deadline to retain your courses. If you do not make full payment or set up payment arrangements (payment plan or emergency loan) by the deadline, the University will drop your classes. If this happens, you will have to re-enroll, and there is no guarantee that you will be able to get back in to the same classes. We will not override the system to place you back into closed the courses.

Nothing can be done to resolve the issue once registration begins. If you try to access the system prior to your scheduled date more than three times, the system will lock your account for 24 hours.

Once you have logged in to the system, you will have access 24/7 to change your schedule until the add deadline, **January 21, 2020**.

NOTE: No credit can be added after the Add Deadline. This includes retro-active credit for competitions, journals, and Special Research. **No exceptions!**

Class Schedule:

Go to <http://www.law.uh.edu/schedule/homepage.html> to access the current Law Center schedule. This is the official schedule and the only information you should rely on to be accurate. To register, you will need the 5-digit section number listed for each course.

Registration Instructions:

To register, log in to PeopleSoft through UH Access, <https://accessuh.uh.edu/login.php> . Once you're logged in, click on the UH Self Service link. Select "Student Center", then "Enroll" to register for classes. Select the appropriate semester and then enter the section number for the courses you are interested in taking. (The section number is the second set of numbers listed for each course)

NOTE: We encourage you to access the system prior to your scheduled registration date to make sure that your password is working, and that you do not have any holds on your account. Your enrollment appointment (date and time) will be posted in PeopleSoft under your Student Center.

REGISTRATION PROCEDURE FOR PREFERENCE COURSES

Preference Courses:

Second-year preference courses are core courses for which second year students (2018 Entering Full-time students) currently have priority. The 2018 Entering full-time students have priority for Business Organizations (Spring 2020).

2Ls (2018 Entering Class):

Second year students will be given priority for the day preference courses when they register for Spring 2020 on November 6th.

3Ls & 4Ls (2017 and Earlier Entering Classes):

Full-time students in the 2017 and earlier entering classes are not authorized to register for any sections of the second year preference courses (night or day) until November 7th. If you do, you will be **administratively withdrawn** from the course.

Part-Time Students:

Part-time students register on November 4th and will have priority for all night classes. Part-time students who want to take mostly day classes should contact Derrick Gabriel prior to registration. Part-time students who want to enroll in any day preference courses, may access PeopleSoft on November 7th to enroll in the class if space is available.

NOTE: Any student who registers for a preference course before their approved time will be administratively removed from the course.

Course Enrollment Process

There are 3 days of Spring registration, November 4th – 6th, and the enrollment procedure for courses is as follows:

Preference courses (day sections only) – Evidence and Federal Income Tax, Business Organizations	Priority to 2L students (2018 Entering full-time students) – The courses will remain closed until the 2Ls register on November 6 th . 3/4Ls, Part- time, and LLM students can register on November 7 th	Waitlists through PeopleSoft will be set up; you can sign-up on only two waitlists in a semester.
Experiential courses (3/4L, LLM priority, see list http://www.law.uh.edu/schedule/Spring2020-experiential.asp	These courses have a small enrollment limit; 1/3- 1/2 of the seats in these courses are opened for day 1 of registration, the remaining seats will be opened for Day 2	Waitlists through PeopleSoft will be set up; you can sign-up on only two waitlists in a semester.
Writing courses (WRC & WRS) – 3/4L, LLM, part-time students have priority	These courses have a small enrollment limit; 1/3- 1/2 of the seats in these courses are opened for day 1 of registration, the remaining seats will be opened for Day 2.	Waitlists through PeopleSoft will be set up; you can sign-up on only two waitlists in a semester.

Waitlists:

The Law Center will be using the waitlist functionality in PeopleSoft for the writing (WRC & WRS) courses, Practice Skills/Experiential Learning courses, and the popular courses that fill quickly. The functionality is very basic and sign-up can only be done at the time that you register. There will be a set number of waitlist spaces available for each course. Once the spaces fill, no other students will be able to select the waitlist option. Admittance in the course is based on your position on the waitlist. The waitlist process does not guarantee that you will be enrolled in the course because seats in the class may never become available.

Students on the waitlist are only enrolled in the class **IF** a student currently enrolled drops. The next student in the queue will then be enrolled in the class, if there's no conflict.

Conflicts:

- 1) You have a course in the same or overlapping time slot the waitlisted course meets;
- 2) You are enrolled in a full course load, and adding the course puts you over the limit you can take for the semester;
- 3) You are enrolled in the another section of the same course;
- 4) You have a hold on your record.

The system will move on to the next student in the queue. The system will notify you only if you are enrolled in the class. Students not on the waitlist, will not be able to register for the class if a space opens unless all of the students on the waitlist have been processed. **The ability to sign up on a waitlist ends once classes begin.**

NOTE: There are 3 days of registration, and a certain number of seats may be released for each group for some courses. The system will permit you to sign up on the waitlist once the seats for your group have filled, but you will not be enrolled when seats are released for the next group. The waitlist becomes active only when the class has completely filled.

Individual Advising:

There are several available resources for getting advice about classes. Student Services is always happy to help. You can contact the Director of Advisement, Monica Mensah at mebuckne@Central.uh.edu. You should also consider talking with your UHLC mentors or a professor who teaches in an area in which you have an interest. Faculty are willing to offer guidance. Click here, <https://www.law.uh.edu/faculty/>, for the faculty list. We are all here to help and hope you will reach out to us with any questions.

Final Exam Schedule:

The final exam schedules for Spring will be posted at <http://www.law.uh.edu/schedule/> prior to registration. Changes may be necessary so check the schedule again at least two weeks prior to the exam period.

Exam Conflicts:

An exam conflict is defined as (1) two exams scheduled on the same calendar day or (2) an exam scheduled in the evening (6 pm or later) and an exam the following morning (9 am). No other situations qualify. Rescheduled exams are administered throughout the exam period depending on the student's exam schedule. Rescheduled exams are typically administered within 1-3 days of the conflict.

Review the exam schedule closely before purchasing plane tickets and making any other plans that would be costly to change. Those activities are not valid reasons to request an exam accommodation.

If you have a conflict as defined above, you will need to submit the Exam Conflict Form to the Office of Student Services by the March 20, 2020 deadline.

Exam Conflict form: <http://www.law.uh.edu/OSS/ExamConflictForm.pdf>

GENERAL INFORMATION

Course Load Requirements:

A standard load for a full-time student during a regular semester (Fall/Spring) is 12 to 16 hours. Students have the option of attending during the Summer and may take up to a maximum of 7 hours in an individual summer session (1, 2, or 4) or 12 hours over the entire summer.

A standard load for a part-time student during a regular semester (Fall/Spring) is 6 to 10 hours, and 1 course in either Summer session (1, 2 or 4), but no more than 7 hours total over the entire Summer.

LLM students must maintain enrollment of at least three hours each fall and spring semester. Underloads must be approved by the student's faculty advisor and submitted to Suzanne Gordon in the LL.M. office.

Overloads/Underloads:

An overload is more than 16 hours (18 hours maximum) for full-time students and more than 10 hours (12 hours maximum) for part-time students. The maximum number of hours a law student can register for is 16. Therefore, full-time students who receive permission to take an overload should take their approved petition to Student Services and a staff member will add the extra hour(s) to the student's enrollment.

An underload is less than 12 hours for full-time students and less than 6 hours for part-time students. (Check with the Financial Aid Advisor because an underload may have an effect on your financial aid.)

Overload and underload petitions (<http://www.law.uh.edu/OSS/petition.pdf>) must be approved by the Assistant Dean for Student Affairs or the Director of Student Affairs.. Petitions should be submitted to the Office of Student Services at least one week prior to registration.

Special Research & Writing:

Enrollment in Special Research & Writing requires that the student complete a petition (<http://www.law.uh.edu/OSS/spresearch.pdf>). The student must obtain the professor's signature then submit the petition to Student Services for final approval. If approved, the course will be added to the student's schedule. (Students can receive a maximum of 4 credits towards graduation.)

Graduate Non-Law Courses:

Once you have completed three long semesters (fall/spring/fall) at the Law Center and you are in good standing, you may petition to enroll in non-law graduate courses for credit toward your JD. When submitting the petition, you should attach a course description and a reason for requesting to take the course. The petition is available on the Student Services website (<http://www.law.uh.edu/oss/GraduateNon-LawCoursePetition.pdf>) or in the Office of Student Services.

If approved, you will need to contact the college offering the course for their permission and to get enrolled. That college has final approval as to whether you can take the course.

The course must be graduate level. Undergraduate courses that may be used for graduate students in that major do meet the requirement for law students. You must meet any prerequisites listed for the course.

NOTE: Graduate non-law petitions must be submitted to Student Services no later than the week before school starts. We will not accept petitions once school starts!

Business Courses

There are a limited number of seats available for non-business students. If you are interested in taking a business course, submit the petition to Student Services. If approved, your information will be forwarded to the MBA Advisor and if space is available, you will be enrolled in the course. Enrollment decisions will be made one week before classes start. We advise you to enroll in other courses until the business school decides on your request.

We do not approve language courses, physical education courses, Wine Tasting, Commercial Law, Intro to Law courses, or any courses that overlap subject matter covered in law courses.

Exam Conflicts for Graduate Courses – The Law Center exam conflict policy only applies to law school exams. Do not assume that your graduate professor will accommodate your conflict. You should contact the professor prior to enrolling in the course or prior to the drop/add period to determine if (1) there is a conflict; and (2) if it can be resolved. Again, do not assume that it will be accommodated.

Special Registration Procedures for Blakely Advocacy Institute courses and Advocates Credits:

Advocates is the student organization that administrates internal (Law Center students only) advocacy competitions. These competitions are the Hippard Mock Trial Competition, the Blakely Butler Moot Court Competition, the Lorange & Thompson Negotiation Competition, and the Tom Newhouse Mediation Competition. Students participating in any of the Advocates competitions listed above may receive 1-hour course credit for successfully completing the competition requirements. A maximum total of four competition credits (which are considered non-substantive credits) can be applied toward graduation requirements. A maximum of two additional hours may be earned for serving on the elected Board of Advocates. Students may also receive competition credits for competing on an external mock trial, moot court, or ADR competition team.

NOTE: Students may take their competition credits retroactively.

To receive internal or external competition credits, eligible students must complete two steps:

- (1) Complete a Blakely Advocacy Petition <https://www.law.uh.edu/blakely/credit-petition.asp>
- (2) Students must register for credit in the same manner as other law school courses. The class schedule contains individual course listings for receiving advocacy credit. There are separate section numbers for each of the Advocates competitions as well as separate section numbers for the external mock trial/moot court/ADR competitions. Students registering for credits in the same semester as the semester in which they compete should use the course number and section with the "Current" designation. Students applying for retroactive credit should use the "Retro" course number and section.

Students who have questions about registering for Advocates competition credits, external Moot Court, Mock Trial, or ADR should see Derrick Gabriel or Jim Lawrence.

NOTE: Blakely Advocacy Institute and the Advocates will not register you for credit. You must register for the credit yourself.

Blakely Advocacy Institute (BAI) Courses:

Registration for BAI courses is the same as other Law Center courses. These courses have a limited enrollment and may fill up quickly. If the BAI course you want is full when you try to register, please continue to check the enrollment status as students will make regular changes in their course selections. The Spring semester BAI courses are listed on the Law Center schedule and students can find out more about the courses at <http://www.law.uh.edu/blakely/advocacy-courses.asp>.

Special Course Limits/12-Hour Rule:

Students may not count more than a total of 12 credit hours from any of the credit-granting activities listed below towards the 90 credit hours necessary to receive a J.D. degree.

Journal credit	Houston Law Review, Houston Journal of International Law, Houston Journal of Health Law and Policy, Houston Business and Tax Law Journal, Journal of Consumer & Commercial Law - number of credits depends on the requirements satisfied, and the position held. (pass/fail)
Competition credit	4 credits maximum towards law degree - This includes all competitions: Moot Court, Mock Trial, Negotiations, Newhouse, Interscholastic Moot Court, and Interscholastic Mock Trial. Any combination. (pass/fail)
Advocates Board credit	2 credits maximum towards law degree - Students who serve on the Advocates Board may receive up to 2 credits in addition to the 4 competition credits. (pass/fail)
UHLC Tutor credit	4 credits maximum towards law degree - Students can receive up to 4 credits for being a 1L course tutor through the Academic Enrichment Program (AEP) with Associate Dean Tennessee or Lawyering Skills and Strategies with Professor Rachlin. (pass/fail)
Special Research & Writing	4 credit maximum towards law degree - Students can earn credit for writing an independent paper under the supervision of a full-time faculty member for credit. Paper length varies depending on the number of credits. (Graded). See petition form for specifics.
Externships	Externships count towards both the special course limit and the 15 credit clinic limit (pass/fail).

Student Health Insurance:

Students must enroll in at least six semester hours to be eligible for student health insurance. Students must enroll for insurance each semester and may do so when registering for classes.

Students who want to have insurance added or removed after the fee payment deadline must contact the Health Center by 20th class day for the Spring semester.

NOTE: There will be no refunds or adding after the deadline.

Fee Payment:

Tuition and fee payment must be received by the designated deadline (<http://www.uh.edu/financial/payment/billing-due-dates/>) or courses could be dropped. You can request an emergency tuition loan or a payment plan through PeopleSoft if you are unable to pay the full amount or if you are waiting for financial aid.

Refund Policy:

There are different deadlines for withdrawing versus dropping a course to receive a refund. A withdrawal is a cancellation of all courses for the semester; you are no longer enrolled. Please review the refund policy and drop dates carefully. **There are no exceptions!**

Refund Policy: <http://www.uh.edu/financial/payment/refunds>

GRADUATION REQUIREMENTS:

How can I check to make sure I'm on schedule to graduate?

Degree Audit/Check - We strongly encourage all students to make an appointment with one of the Student Affairs Staff, Samantha Ary (sary@Central.uh.edu) or Monica Mensah (mebuckne@Central.uh.edu) to have a degree audit completed before your last semester. This is the best way to verify that you are fulfilling all of the requirements necessary to graduate. Email either staff member to set an appointment. Prior to your appointment, fill out and print the Graduation Check form (<http://www.law.uh.edu/OSS/gradcheck.pdf>) and bring it to the meeting.

NOTE: LLM students should contact Suzanne Gordon, sgmartinCentral.uh.edu for a degree audit.

Degree Requirements – You will find the degree requirements in the Student Handbook (<http://www.law.uh.edu/jd/current/handbook.pdf>).

Credits - 90 hours are required for graduation with a 2.33 minimum GPA. In addition to the 1st year required curriculum, each student must complete the following courses at the Law Center to graduate:

Professional Responsibility Course - 3-hour Professional Responsibility course must be taken and a passing grade received.

Upper Level Writing Requirement – Students can only satisfy this requirement, (1) by completing a writing seminar (designated by prefix “WRS”) and earning a grade of “C” or better; or (2) by taking a writing course (designated by the prefix “WRC”) and earning a grade of “C” or better. See the Student Handbook more information.

Required Practice Skills Course – (*Applies to students entering before Fall 2016*) Students must take and pass a course that satisfies the “Practice Skills” requirement. The courses that satisfy this requirement are identified on each course schedule. There is a tab at the top of each semester’s schedule that will allow you to view the specific classes that meet the Practice Skills requirement. Courses that satisfy the requirement can be for two, three or four credits.

Experiential Course Requirement – (*Applies to all students entering fall 2016 and after*) – Students must take and pass one or more experiential course(s) totaling at least six credit hours. An experiential course must be a simulation course, a law clinic, or a field placement.

Filing for Graduation – To officially graduate from the University, all students must file a Graduation Application online through your UH Self Service account by the designated filing deadline. Click on the “Apply for Graduation” link listed under your Student Center. The timely filing fee is \$25 and the late filing fee is \$50. Timely Filing period.

See Academic Calendar for deadlines, <http://www.law.uh.edu/calendar/academic-calendar.asp> .
