### **CLASS STANDING INFORMATION (Through Fall 2025)**

The Law Center only provides individual class standings upon graduation. However, at the conclusion of each Fall/Spring semester a percentile ranking is published based on entering class year so that students may determine their general position within the group of students with whom they entered the Law Center (transfer students should check with the Office of Student affairs for class year.)

Percentiles are published in 5% increments up to the 50th percentile and in 10% increments thereafter. Additionally, the top ten students of each entering class receive a letter notifying them of their individual class rank. Students can determine their class standing by identifying the percentile their GPA reaches or surpasses. For example, if a GPA of 3.444 falls within the top 40%, a student with a 3.443 may only list the top 45% since their GPA does not reach 3.444.

Individual graduating class rankings will be available upon request after the graduating class is finalized in September 2026. The graduating class is comprised of December 2025 and May and August 2026 graduates. Percentile rankings through the Fall 2025 semester are as follows:
