# Leonard M. **BAYNES**

DEAN AND PROFESSOR OF LAW

---

The excellence of a law school is defined both in the classroom and in the quality of scholarly research and writing produced by its faculty. The professors at the University of Houston Law Center are not only outstanding educators and communicators but also exceptional legal scholars whose published work ranks among the nation's most cited in legal journals and judicial opinions.

I am proud, on behalf of the Law Center, to share this compilation of recent scholarship from our faculty, each of whom embodies excellence in legal education.
