

IMPEACHMENT PROBLEM 8: ARTHUR JACKSON

Assume that Mr. Jackson has testified at trial on direct examination that he had already contacted Boeing and other airplane parts suppliers with Avery's designs.

(a) For Mismo, conduct a cross-examination and impeachment of Mr. Jackson.

(b) For Flinders, conduct a redirect examination to the extent necessary to rehabilitate.

CONFIRM the lie told at trial:

You have testified that you had already contacted Boeing and other airplane parts suppliers with Avery's designs.

Impeachment:

Isn't it true that you have previously testified under oath that you were just planning to contact Boeing and other airplane parts suppliers with Avery's designs?

If he answers "no", CREDIT his deposition.

CONFRONT him with his prior inconsistent statement at page 23, lines 1-5.
