

EENR Speaker Series Presents

Gibson Dunn Associates: Energy Law Trends and Careers

Ashley Nguyen practices in Gibson Dunn's Oil and Gas, Mergers and Acquisitions, and Energy and Infrastructure practice groups. Her practice focuses on representing energy companies, private equity firms, and other financial institutions in domestic and cross-border upstream and midstream transactions.

Jordan Silverman practices in Gibson Dunn's Oil & Gas, Mergers & Acquisitions, and Energy & Infrastructure practice groups. His practice focuses on advising international and domestic energy companies and private equity firms in upstream and midstream transactions, including mergers and acquisitions, acquisitions and divestitures of oil and gas assets, joint ventures, and various oil and gas agreements.

Jasper Mason practices in Gibson Dunn's Oil & Gas group. He represents exploration and production companies and private equity clients on acquisitions, divestitures, and joint ventures involving upstream oil and gas assets. Jasper is also an adjunct professor at the Law Center.
