Subject: Reading benches for Statutory Interpretation

As we discussed in class yesterday, here are our reading panels for the rest of the semester:

Date	Panel	Topics or Notes
April 15	J.T. Reinert James Richardson Nazanin Salehi Laura Nelson	We'll have four panelists because this class will cover two large topics: standing and judicial deference to agency regulatory interpretations (<i>Chevron</i> and <i>Skidmore</i>).
April 17	Armin Salek Kyle Seabolt Daniel Sedelmeier	Deference to agency interpretation, including lead-up to oral argument in <i>Alt v. U.S. EPA</i> .
April 22	Allegra Sturns Spencer Taylor Morgan Tennant	The arbitrary and capricious standard in judicial review of an agency's implementation of a statute.
April 24	Amanda Theinpont Joseph Thomas Steven Thompson	Judicial review of agency fact finding and procedure.
April 29	No panel	Voluntary review session – come prepared with any questions for discussion.

For everyone else in class: as you know, the reading panel simply helps set the stage for discussion. I'll still happily call on any of you to help out after the panel outlines the key concepts for discussion. You can find the readings and supplemental materials at the class website (<http://www.law.uh.edu/faculty/thester/courses/Statutory2014/course.html>).

Have a great weekend, and see you on Tuesday.
