**IPIL/HOUSTON
CELEBRATES 35 YEARS!**

In 2026, the Institute for Intellectual Property &

Information Law (IPIL) at the **University**

of Houston Law Center celebrates

35 years. Founded in 1991, IPIL

is the nation's **third-oldest**

intellectual property law program.*

In this brochure, we share highlights from

IPIL's first 35 years.

* Robert Gomulkiewicz, *Intellectual Property, Innovation, and the Future: Toward a Better Model for Educating Leaders in Intellectual Property Law*, 64 SMU L. REV. 1161, 1163 (2011) (programs existing before IPIL at the Law Center were at George Washington and at the University of Illinois Chicago School of Law (formerly John Marshall)).

A large red diamond graphic is positioned in the center-right of the page. Inside the diamond, the letters 'IPIL' are written in a large, black, serif font, stacked vertically. The 'IP' is on the top line and the 'IL' is on the bottom line.

IPIL

A black rectangular box with a thin white border is located on the right side of the page. It contains the text '35th Anniversary' in a white serif font. The '35th' is in a larger font size than 'Anniversary'.
